A reminder to all Shedders

1. There is a busy bee at Frankle Street at 9am this coming Wednesday 4th of November. Bring your wiper snippers and rakes
2. There will be a busy bee at the shed to clean up and wash down the outside of the shed. This is being done after receiving feedback that the outside of the shed is a bit shabby. If you have a high pressure hose or long handed brooms and spider brooms then bring them along.

Parking: Please park on the area just north of the shed,
enter and exit via Parade Road through the car park.
